-

Odometer

107,000 km

This has a unique hot water system when plugged into power it has constant hot water so the long showers are a dream come true .

Very tidy been well cared for by the previous owner

Low KM 107,000

Great 6 speed manual gearbox so lots of torque

Some reading below

Built on a Fiat Ducato cab/chassis, the low profile T449 can sleep four – two in the rear island bed and two in the drop-down bed in the lounge. Powered by the workhorse engine of the Fiat fleet – the 130 Multijet turbo-diesel – it supplies 96kw/130HP to the front wheels through the standard Fiat six-speed gearbox. It is a useful combination that drives comfortably in the city, overall performance is impressive.

There are three exterior hatches: one for the toilet cassette and two – one each side – for the large rear storage garage.

Inside

Inside, the Carado's layout is familiar. There's a front dinette incorporating the cab seats, a central kitchen separated from the rear island bed by a shower stall to the right, and a toilet compartment to the left.

Rotating the cab seats so they face the table creates a convivial space for relaxing, entertaining and watching TV. When there were just two of us, one would sit on a cab seat and the other at the dinette. That way we had ample room to read a newspaper or work on a laptop. When a couple of guests called in, the other cab seat and the side seat came into play. Cosy, but with

Features

- » 4 berth
- » Double drop down bed
- » Full fridge freezer
- » Gas burner
- » Onboard tanks
- » Reverse camera
- » Shower
- » Solar
- » Television
- » Toilet
